OFFICIAL TRAVEL AND ACCOMMODATIONS

Exhibitors wishing to attend the conference may make their travel arrangements online.

BEWARE OF SCAMS

In the past exhibitors have been approached by non-TAC hotel and travel companies to book hotel rooms. For this reason, TAC no longer publishes the list of exhibitors on its website. TAC does not subcontract hotel blocks. All TAC-approved hotels are listed on our travel and accommodations webpage. Please book directly with the hotel using the phone number or link provided by TAC to guarantee your reservation. Consult the TAC Exhibitor Checklist for the full list of official TAC contractors.

3rd PARTY MARKETING

By registering as a TAC exhibitor, you are complying to receive 3rd party marketing and communications event information from official TAC contractors.

LIABILITY AND INSURANCE

Exhibitors must carry their own fire, theft and applicable insurance. TAC shall take reasonable precautions to prevent losses and to protect the interests of exhibitors. However, under no circumstances will TAC be liable for such losses.

Exhibitors are required to obtain from their insurer a certificate of comprehensive general liability insurance, with a limit of **\$5,000,000** inclusive, indicating that the Transportation Association of Canada (TAC) has been added as an additional named insured for the confirmed exhibition dates.

The TAC office must receive the certificate by August 16; an electronic copy can also be emailed to Jacques A. Maltais, Sr. Events Manager.

In the event that TAC does **not** receive the certificate of comprehensive general liability insurance prior to the booth set-up, a **\$500 penalty fee** will be charged in addition to registration fees. Failure to provide proof of the certificate prior to the exhibition set-up date will result in **immediate** termination of the application without reimbursement. Refer to the **Exhibitor Checklist** for a sample of the required form.

SET-UP AND TEAR DOWN

Exhibitors shall not remove any part of the display or product until the exhibition is officially closed. Exhibitors also agree to remove all of their belongings from the venue by the final move-out deadline. Should exhibitors fail to do so, they will be responsible for any additional costs incurred.

A \$500 penalty will be charged to exhibitors dismantling and/or leaving the exhibition before indicated tear-down times.

Consult the Exhibitor Checklist for important order forms and deadlines.

ACTS OF GOD (FORCE MAJEURE)

If an event, including but not limited to, acts of God or acts, regulations, or orders of governmental authorities; fire, flood, explosion, disaster, hurricane, tornado, civil disorder (including labour disputes or demonstrations of any kind); acts of terrorism or other violence; curtailment of transportation facilities, or other emergency, that make it impossible, illegal or otherwise inadvisable for the Transportation Association of Canada (TAC) to host its Annual Conference & Exhibition, this contract shall terminate without further obligation on the part of any party hereto. In the event of a cancellation, postponement or disruption of the TAC Conference & Exhibition for any cause beyond TAC's control, the host Convention Centre and/or hotel facilities, TAC shall have no obligation whatsoever to the Exhibitor. To the extent that any Exhibitor benefits have not been completely or partially received at the date of such termination, the Exhibitor is entitled to obtain a partial refund as reasonably calculated by TAC (less any and all legitimate expenses incurred by TAC for initial administration fees, design work, etc.)

The Exhibitor hereby waives any and all claims against TAC for damages or compensation due to the cancellation or postponement of the Exhibition pursuant to this paragraph.

SHIPPING

All goods shipped to the exhibition must be shipped via **Canadian AV**, the official services provider, and clearly marked with the name of the exhibiting company and the booth or table top number. Goods must not be shipped to the venue, as these will not be accepted and will be returned to sender.

TAC assumes no responsibility for loss or damage to goods before, during, nor after the exhibition's closing. Advanced shipments must arrive by September 18. On-site shipments must be arranged directly with **Canadian AV** to ensure that they arrive on time.

EXHIBITION RULES AND REGULATIONS

Exhibitors agree to abide by all regulations and rules adopted by TAC in the best interests of the Conference and Exhibition. TAC shall have the final decision in adopting any rule or regulation deemed necessary prior to, during and after the exhibition. TAC also reserves the right at any time to alter or remove exhibits or any part thereof, including printed materials, products, signs, lights, or sound, and to expel exhibitors or their personnel if their conduct or presentation is objectionable to other participants. Exhibitors agree to confine their presentation within the contracted space only, and within the maximum height set by conference rules and regulations and to maintain a staff in their booth space during the conference hours.

TAC reserves the right to alter or change the space assigned to exhibitors or the final floor plan as required.

TAC's Exhibition Rules and Regulations must be reviewed and approved by each exhibitor at the time of booking.
