

COMMITTEE CHAIR'S AWARD RECIPIENTS

2018	Ania Anthony Saskatchewan Highways and Infrastructure	Soils and Materials SC
	Len Frass Saskatchewan Highways and Infrastructure	Maintenance and Construction SC
	Alf Guebert AAGuebert & Associates Inc.	Traffic Operations and Management SC
	Clark Gunter WSP Canada Inc.	Integrated Committee on Climate Change
	Chris Haines Dillon Consuting Limited	Structures Standing Committee
	Dawn Irish Ministry of Transportation, Ontario	Environmental Advisory and Legislation SC
	Shauna Lehmann Saskatchewan Highways and Infrastructure	Environmental Issues Management SC
	Kenedee Ludwar British Columbia Transportation & Infrastructure	Wider Pavement Markings for Standard Applications Project Steering Committee
	Tamin Raad Access Planning	Transportation Finance SC
	Mark Stout	Sustainable Transportation SC
2017	Amir Abd El Halim Canadian Society for Civil Engineering	Pavements SC
	Tom Baumgartner Watt Consulting Group	Canadian Guide to Traffic Calming (Second Edition) PSC
	Daniel Beaulieu Ville de Montréal	Application Guidelines for Speed Display Devices PSC
	Nazzareno Capano City of Toronto	Risk Analysis and Responding to Climate Change PSC
	Gregg Cooke Stantec Consulting Ltd.	Geometric Design SC

	Dean Cooper Watt Consulting Group	Joint Active Transportation Subcommittee
	Phil Edens City of Ottawa	Canadian Model Rules of the Road Update PSC
	Alizera Hadayeghi CIMA Canada	Road Safety SC
	Rob Hird Nova Scotia Transportation & Infrastructure Renewal	Canadian Guide to Traffic Calming (Second Edition) PSC
	Greg Iwaskow City of Calgary	Rectangular Rapid Flashing Beacons Warrant Project Steering Committee
	Oliver Laser Amec Foster Wheeler Environment & Infrastructure	Environmental Advisory and Legislation SC
	Ed Miska British Columbia Transportation & Infrastructure	Editing and Publication Subcommittee
	Chris Philp Intelligent Transportation Systems Society of Canada	Updating the National ITS Architecture for Canada: Phase 1 PSC
	Orlando Rodriguez Alberta Transportation	Guidelines for Defining and Measuring Urban Congestion PSC
	James Smith Ontario Good Roads Association	Asset Management Task Force
2016	Ania Anthony Saskatchewan Highways and Infrastructure	Load Management Practices for Weak Pavement Structures PSC
	Daniel Bergeron Agence métropolitaine de transport	Transportation Finance SC
	Eric Christiansen Manitoba Infrastructure	Geometric Design Guide New Edition PSC
	Dean Cooper Watt Consulting Group	Sustainable Transportation SC
	Glenn Cuthbertson Manitoba Infrastructure	National Guidelines for Work Zone Safety in Canada PSC
	Guy Doré Université Laval	Soils and Materials SC

	David Duncan Manitoba Infrastructure	Transportation Planning and Research SC
	Ruth Eden Manitoba Infrastructure	Structures SC
	Darrell Evans P.E.I. Department of Transportation, Infrastructure and Energy	Guidelines for Mechanically Stabilized Earth Walls PSC
	John Hammer WSP Parsons Brinckerhoff	Geometric Design Guide New Edition PSC
	Rob Hird Nova Scotia Transportation & Infrastructure Renewal	Traffic Operations and Management SC
	Phil Hutton Ministry of Transportation, Ontario	Maintenance and Construction SC
	Dawn Irish Ministry of Transportation, Ontario	Beneficial Management Practices for Compliance with the Migratory Birds Convention Act and Regulations PSC
	Marlo Johnson Ministry of Transportation, Ontario	Beneficial Management Practices for Compliance with the Migratory Birds Convention Act and Regulations PSC
	Sarah O'Keefe Transport Canada	Environmental Issues Management SC
	Orlando Rodriguez Alberta Transportation	Traffic Monitoring Practice Guide PSC
2015	Keith Boddy Nova Scotia Transportation & Infrastructure Renewal	Geometric Design SC Canadian Roundabout Design Guide PSC
	Walter Burdz Manitoba Infrastructure & Transportation	Road Safety SC
	Maya Caron Stantec Consulting Ltd.	Environmental Advisory and Legislation SC
	Nicole Fleury Manitoba Infrastructure & Transportation	Synthesis of Asset Management Best Practices PSC Asset Management Task Force

Devin Glowinski Ministry of Transportation, Ontario	Design and Implementation of Public Transit Services - Guidelines for Communities PSC
Martin Hotte Ministère des Transports du Québec	Moving Smarter – Exploring Solutions for Canadian Cities PSC
Jeannie Lee Ministry of Transportation, Ontario	Design and Implementation of Public Transit Services - Guidelines for Communities PSC
Zorana McDaniel City of Calgary	UTI 5th Survey PSC
Sherry Sullivan Cement Association of Canada	Pavements SC
Rafael Villarreal City of Kelowna	Design and Implementation of Public Transit Services - Guidelines for Communities PSC
Lyle Walker Translink	Moving Smarter PSC

2014

Lawrence Arcard T2 Utilities Engineering	Public Utilities Management Subcommittee
Richard Chow Alberta Transportation	MUTCDC Update Scoping Study PSC
Geoff Cross TransLink	Transportation Funding and Governance PSC
Stephen Erwin Ministry of Transportation of Ontario	Traveller Information Services Task Force
Darrell Evans Prince Edward Island Transportation and Infrastructure Renewal	Structures SC
Danielle Fleury ministère des Transports du Québec	Soils and Materials SC
Paul Kalashnikoff AMEC	Environmental Issues Management SC
Shiraz Kanji City of Edmonton	Sustainability Considerations for Bridges PSC
Jadwiga Kroman City of Calgary	Sustainability Considerations for Bridges PSC
Ana Maria Leyton Transport Canada	Sustainable Transportation SC

Heather McClintock Ministry of Transportation of Ontario	Summer and Winter Maintenance Subcommittee
Troy McLeod Calgary Parking Authority	Traffic Operations and Management SC
Harvey Olsen Stantec Consulting Ltd.	Maintenance and Construction SC
Timothy Spurr Agence métropolitaine de transport	Transportation Funding and Governance PSC
Craig Walbaum City of Edmonton	Digital and Projected Advertising Displays PSC
Leslie Woo Metrolinx	Transportation Finance SC

2013

Geni Bahar NAVIGATS Inc.	Road Safety SC
Rhonda Batchelor Government of Northwest Territories	Environmental Issues Management SC
Daniel Beaulieu Ville de Montréal	Pedestrian Signal Warrant & Walking Speed PSC
Leanna Belluz Transport Canada	Traffic Operations & Management SC
Anthony Caruso Metrolinx	Investigating the Potential for Truck Lanes in Urban Areas PSC
Gord Cebryk City of Edmonton	Roadway Lighting Efficiency & Power Reduction Guide PSC
Richard Chow Alberta Transportation	Pedestrian Signal Warrant & Walking Speed PSC
Hugh Donovan City of Edmonton	Soils & Materials SC
Clark Gunter MMM Group Limited	Environmental Advisory and Legislation SC
Audra Jones City of Edmonton	Sustainable Transportation SC
Said Kass Manitoba Infrastructure and Transportation	Pavements SC

Aziz Merali Focus Corporation	Geometric Design SC
Lisa Salsberg Metrolinx	Changing Practices in Data Collection on the Movement of People PSC
Timothy Spurr Agence métropolitaine de transport	Changing Practices in Data Collection on the Movement of People PSC
Guy Tremblay Ministère des transports du Québec	Mechanistic / Empirical Pavement Design Guide Calibration PSC
Ron Weatherburn Manitoba Infrastructure and Transportation	Maintenance & Construction SC
Brian Wood Stantec Consulting Ltd.	Structures SC

2012

Rhonda Batchelor Government of Northwest Territories	Synthesis of Canadian Environmental Best Practices for Highway Construction, Operation and Maintenance PSC
Keith Boddy Nova Scotia Transportation & Infrastructure Renewal	Geometric Design for Special Roads PSC
Nazzareno Capano City of Toronto	Canadian Guide for Greener Roads PSC
Carl Clayton Stantec Consulting	Geometric Design Revisions and Additions Subcommittee
Doug Floyd Delcan Corporation	Transportation Finance SC
Rico Fung Cement Association of Canada	Canadian Guide for Greener Roads PSC
Ron Gerbrandt Saskatchewan Highways and Infrastructure	Environmental Advisory and Legislation SC
Ted Gill MMM Group Limited	Sustainable Transportation SC
Cathy Hainsworth Transport Canada	Synthesis of Canadian Environmental Best Practices for Highway Construction, Operation and Maintenance PSC

Scott Hanna Hatch Ltd.	Environmental Advisory and Legislation SC / Environmental Issues Management SC
James Hoyt New Brunswick Transportation and Infrastructure	Use of Recycled Materials in Infrastructure Projects PSC
Susan Nichol Ministry of Transportation of Ontario	Applied Human Factors in Road Safety Engineering PSC Climate Change and Road Safety PSC
Sarah O'Keefe Transport Canada	Synthesis of Canadian Environmental Best Practices for Highway Construction, Operation and Maintenance PSC
Bill Pacholka Saskatchewan Highways and Infrastructure	Environmental Issues Management SC
Don Snider Alberta Transportation	Salt Management Guide Update PSC
Don Stephens MMM Group Limited	Transportation Planning and Research SC
Normand Tremblay Ministère des Transports du Québec	Guide for the Accommodation of Utilities in Freeway Rights-of-Way PSC
Rick Zarzosa City of Ottawa	Transit Priority Measures Guidelines PSC

2011

Andrew Beal Ministry of Transportation of Ontario	Review of Sign Sheeting Project Steering Committee
Fred Blaney New Brunswick of Transportation	P3 for Road Construction Project Steering Committee
Richard Chow Alberta Transportation	Pedestrian Crossing Control Manual Update Project Steering Committee
Don Cook City of Saskatoon	Effective Strategies for Influencing Travel Behaviour Project Steering Committee
Eric Christiansen Manitoba Infrastructure and Transportation	Geometric Design Guide Update Scoping Study Project Steering Committee
Larry Halayko Manitoba Infrastructure and Transportation	Construction and Operation of Winter Roads Project Steering Committee
Marta Juhasz	Pavement Asset Design and Management Project

Alberta Transportation	Steering Committee
Moh Lali Alberta Transportation	Maintenance and Construction Standing Committee
Linda McAusland Ministry of Transportation of Ontario	Environmental Advisory and Legislation Standing Committee
Cam Nelson Morrison Hershfield Limited	Road Safety Standing Committee
Larry Purcka Department of Transportation of Northwest Territories	Geometric Design Standing Committee
Ahmed Shalaby University of Manitoba	Pavements Standing Committee
Bruce Stapleton Transport Canada	Performance Measures for Road Networks

2010	Anne Baril Ministère des Transports du Québec	Winter Road Condition Terminology Project Steering Committee
	Leanna Belluz Transport Canada	Signs and Markings for Multilane Roundabouts Project Steering Committee
	Richard Chow Alberta Transportation	Blinking LED Borders on Signs Project Steering Committee
	Richard Chow Alberta Transportation	Guidelines for Posted On and Off Ramp Speed Limit Signing Project Steering Committee
	Deborah deGrasse Transport Canada	Guidelines for Collision Prone Locations Screening Project Steering Committee
	Scott Hanna Hatch Ltd.	Environmental Issues Management Standing Committee
	Élaine Lapointe New Brunswick Department of Transportation	Knowledge Management Primer Project Steering Committee
	Élaine Lapointe New Brunswick Department of Transportation	Knowledge Management Committee
	David McCusker Halifax Regional Municipality	Driver Comprehension Testing Program Project Steering Committee
	Mark Popik	Soils and Materials Standing Committee

	Applied Research Associates Inc.	
	Cathy Robertson City of Burlington	Traffic Operations and Management Standing Committee
	Don Snider Alberta Transportation	Environmental Advisory and Legislation Standing Committee
	Pierre Tremblay Ministère des Transports du Québec	Transportation Planning & Research Standing Committee
	Robert van Ginkel Tetra Tech	Structures Standing Committee

2009	Richard Chow Alberta Transportation	Guidelines for the Application and Implementation of the School Bus Stop Ahead Sign PSC
	Richard Chow Alberta Transportation	Canadian Guide for Establishing Posted Speed Limits PSC
	Eric Christiansen Manitoba Infrastructure and Transportation	Median Treatments for Rural and Urban Roadways PSC
	Gavin Davidson TransLink	Update of Bikeway Traffic Control Guidelines for Canada PSC
	Daniel Egan City of Toronto	Safe Accommodation of Vulnerable Road Users and Large Commercial Vehicles PSC
	Katherine Forster Transport Canada	Synthesis of Practices and Recommendations for Developing and Implementing Active Transportation Strategies PSC
	Steve Goodman AME Materials Engineering	Pavements SC
	Brian Hollingworth IBI Group	Sustainable Transportation SC
	Shiraz Kanji City of Edmonton	Guide to Bridge Traffic and Combination Barriers PSC
	Dave Keenan City of Calgary	Guidelines for the Planning, Design, Operation and Evaluation of Reversible Lane Systems PSC
	Bob Koziol MMM Group Limited	Geometric Design SC
Jadwiga Kroman City of Calgary	Guide to Bridge Traffic and Combination Barriers PSC	

	Moh Lali Alberta Transportation	Maintenance and Construction SC
	Anne-Marie Leclerc Ministère des Transports du Québec	Transportation Infrastructure Construction in Permafrost Regions PSC
	Roxane Macinnis Halifax Regional Municipality	Synthesis of Practices and Recommendations for Developing and Implementing Active Transportation Strategies PSC
	Donaldson MacLeod Public Works and Government Services Canada	Structural Concrete Deck Protection Systems PSC
	David McCusker Halifax Regional Municipality	Transit Signal Display PSC
	Brice Stephenson City of Edmonton	Framework for Collection of High-quality Data on Urban Goods Movement in Canada – (Phase 2) PSC
	Susan Tighe University of Waterloo	TAC Foundation Scholarship Committee
	Pierre Tremblay Ministère des Transports du Québec	Urban Transportation Indicators Fourth Survey PSC
	Simon Trépanier Ministère des Transports du Québec	Guidance on the Use and Installation of Chevron Alignment Signs PSC
	Hansel Wang TransLink	Transit Lane Conspicuity PSC
	Sany Zein TransLink	Road Safety SC

2008	Anne Baril Ministère des Transports du Québec	Managing Utilities in the Right-of-way PSC
	Kenneth D. Becking City of Kawartha Lakes	Small Municipalities Task Force
	Darren Carter Alberta Transportation	Environmental Management Systems User Guide for Transportation Practitioners PSC
	Richard Chow Alberta Transportation	Application and Implementation of Static Warning Devices in Advance of School Bus Stops PSC

	Richard Chow Alberta Transportation	Traffic Operations and Management SC
	Claudio Covelli Dillon Consulting Limited	Transportation Planning and Research SC
	Gavin Davidson TransLink (South Coast British Columbia Transportation Authority)	Bicycle Traffic Control Devices: Signs and Coloured Pavements PSC
	David Durant Regional Municipality of Waterloo	Best Practices for the Technical Delivery of Transportation Planning Studies PSC
	James T. Keefe IMSA-International Municipal Signal Association	Traffic Signal Conspicuity PSC
	Carol MacQuarrie New Brunswick Department of Transportation	Soils & Materials SC
	Nicole Pharand-Fraser British Columbia Ministry of Transportation and Infrastructure	Winter Maintenance Performance Measurement Using Friction Testing PSC
	Russ Smith Transport Canada	Environmental Advisory and Legislation SC
	Howard Yea Saskatchewan Ministry of Highways & Infrastructure	Structures SC
<hr/>		
2007	Mohamed Alkoka BNorth Engineering	Maintenance and Construction SC
	Chris Brinkmann City of Ottawa	Accessible Pedestrian Signals PSC
	Richard Chow Alberta Infrastructure and Transportation	Roadside Sign Placement Criteria PSC
	Gavin Davidson Greater Vancouver Transportation Authority (TransLink)	Bicycle Traffic Pavement Markings PSC
	Gerry Forbes Intus Road Safety Engineering Inc.	Road Safety SC

	Phil Masters Ontario Ministry of Transportation	Framework for Application of ITS for Traffic Management PSC
	Susan Siopsis Region of Durham	Geometric Design SC
	Hart Solomon City of Hamilton	Accessible Pedestrian Signals PSC
	Brice Stephenson City of Edmonton	Urban Goods Movement PSC
	Guy Tremblay Ministère des Transports du Québec	Pavements SC
	<hr/>	
2006	Tom AppaRao Municipality of Peel	Sustainable Transportation SC
	Steve Arsenault Ministère des Transports du Québec	Winter Severity Index PSC
	Leanna Belluz Transport Canada	Roundabouts Synthesis of Practices PSC
	Richard Chow Alberta Infrastructure & Transportation	Handbook of Information Sign Symbols PSC School and Playground Areas and Zones PSC
	Scott Hanna Hatch Acres Inc.	Environmental Issues Management SC
	Dave Keenan City of Calgary	Traffic Signal Warrant Handbook PSC
	Dave MacFarlane New Brunswick Department of Transportation	Road Sensor Terminology PSC
	Brad Neirinck City of Winnipeg	Structures SC
	Bill Raney Ontario Ministry of Transportation	Finance and Investment SC
	Paul V. Steckham Ontario Ministry of Transportation	Aviation SC
	J. Allen Stewart Royal Military College	Transportation Planning and Research SC
	Susan Tighe	Soils and Materials SC

	University of Waterloo	
	Allan Widger Saskatchewan Highways and Transportation	Quality Management of Paving Projects PSC
2005	W. Victor Anderson Delcan Corporation	Bridge Repair and Rehabilitation PSC
	Bruce W. Biglow UMA Engineering Ltd.	Geometric Design SC
	Richard Chow Alberta Infrastructure and Transportation	Transverse Rumble Strips PSC Roadway Lighting Guide PSC
	Bernie Clancey Nova Scotia Transportation & Public Works	Work Zone Speed Management PSC
	Bob Hodgins Ecoplans Limited	Environmental Issues Management SC
	Ralph Haas University of Waterloo	Scholarship Awards Committee
	Mavis Johnson Canadian Traffic Safety Institute	Road Safety SC
	Dave Keenan City of Calgary	Traffic Signal Warrant Update PSC
	John F. Morrall University of Calgary	Centreline Rumble Strips PSC
	Bert C.M. Pulles EBA Engineering Consultants Ltd.	Pavements SC
	Michael A. Seaby Public Works & Government Services Canada	Environmental Advisory & Legislation SC
	Lance R. Vigfusson Manitoba Transportation and Government Services	Maintenance and Construction SC
2004	Robert Kahle Ville de Montréal	Bicycle Traffic Signals PSC
	Shiraz Kanji	Structures SC

	City of Edmonton	
	Phil Kurys Transport Canada	Sustainable Transportation SC
	Larry McCormick City of Edmonton	Traffic Operations and Management SC
	John Robinson Delphi MRC	Geometric Design Guide Update PSC
	Mike Skene Boulevard Transportation Group	Advanced Warning Flashers PSC
	Don Stephens McCormick Rankin Corporation	Urban Transportation Indicators PSC
	Nick Tunnacliffe Regional Municipality of Peel	Transportation Planning and Research SC
	Gary Welsh City of Toronto	Road Features Inventory PSC
	Allan Widger Saskatchewan Highways & Transportation	Erosion & Sediment Control PSC
	Peter Wilson City of Calgary	Bridge Management Guide PSC

2003	Barry Belcourt City of Edmonton	Road Salt Management Working Group Synthesis of Best Practices PSC
	Richard Chow Alberta Transportation	Highway Guide Signage PSC
	Eric Christiansen Manitoba Transportation & Government Services	Geometric Design SC
	Paul De Leur Insurance Corporation of British Columbia	In-service Operational Guidelines PSC
	David K. Hein ERES Consultants	Pavements SC
	Dave Keenan City of Calgary	Traffic Signal Warrants PSC
	Robyn V. McGregor	Maintenance and Construction SC

	EBA Engineering Consultants Ltd.	
	Randolph W. Sanderson Transport Canada	Road Safety SC
	<hr/>	
2002	Moh Ashraf Alberta Transportation	International Roughness Index PSC
	Don Brennan Newfoundland Department of Works, Services and Transportation	Pavements SC
	Richard Chow Alberta Transportation	Illumination of Rural Intersections PSC
	Martin Delaney Nova Scotia Department of Transportation and Public Works	Natural Gas Pipeline Placement in Rural Road Rights-of-way PSC
	Michael Delsey Totten Sims Hubicki Associates	Geometric Design SC
	George Haines New Brunswick Department of Transportation	Maintenance and Construction SC
	Alan Humphries Alberta Transportation	Guide to Bridge Hydraulics PSC
	Paula Hurtubise Statistics Canada	Census Place of Work/Modal Choice Variables PSC
	Stella Madsen Saskatchewan Department of Highways and Transportation	Canadian Long-Term Pavement Performance Program Steering Committee
	John F. Morrall University of Calgary	Rumble Strips PSC
	Gordon Tufts Manitoba Department of Transportation and Government Services	Aviation SC
David Wilson National Capital Engineering Ltd.	Finance and Investment SC
