Recommendations and Implementation Plan

The content of the ITS Strategic Plan led to the development of the Implementation Plan which details the first 5 years of projects, specifically:
- **Short term (2018 – 2020)**
- **Medium term (2020 – 2023)**

Project summaries were developed for all 16 of these projects. Traffic management, traveller information and safety were the top priority projects. Long term projects were examined with paragraphs describing each.

Specific ITS Strategies (based on ITS user services)
- Traveller information
- Traffic management
- Public transportation
- Electronic payment
- Commercial vehicle operations
- Emergency management
- Vehicle safety / control
- Data and information management
