

TAC Submission Agreement

By participating in the Transportation Association of Canada (TAC) Conference Technical Program, I agree that:

- My submission is provided with the knowledge and approval of my employer and/or related client(s). I understand that TAC reserves the right to exclude a submission from the conference if it has been submitted under false pretenses.
- All costs related to participating in the 2024 TAC Conference & Exhibition, including for Conference registration, accommodation and travel, are my sole responsibility.
- I have read TAC's *Guidelines for Presenters and Authors: Preparing Slide Decks and Papers*, and I agree to adhere to them if my abstract is accepted.
- I assign TAC the right to publish and distribute the final version of all abstracts, slide decks and papers submitted. Authors may share or distribute their final paper, as long as it is the same version provided to TAC and published on TAC's website.
- TAC may record, edit and otherwise reproduce my presentation (including voice, image and slide deck; collectively, the "Authorized Material") at the 2024 TAC Conference & Exhibition, and use it in various formats or manners as it sees fit. Copyright ownership of the Authorized Material, including the right to reproduce and edit (not alter) it, is granted to TAC in perpetuity. No monetary or other claims will be made against TAC for its use of the Authorized Material, and I waive any right to inspect or approve a finished product wherein my voice and image appear.
