

## Committee Chair's Award

### A

Abd El Halim, Amir	Canadian Society for Civil Engineers	Pavements SC	2017
Alkoka, M.	BNorth Engineering	Maintenance and Construction SC	2007
Anderson, W. Victor	Delcan Corporation	Bridge Repair and Rehabilitation PSC	2005
Anthony, Ania	Saskatchewan Highways and Infrastructure	Load Management Practices for Weak Pavement Structures PSC	2016
AppaRao, T.	Municipality of Peel	Sustainable Transportation SC	2006
Arcand, Lawrence	T2 Utilities Engineering	Public Utilities Management Subcommittee	2014
Arsenault, Steve	Ministère des Transports du Québec	Winter Severity Index PSC	2007
Asraf, Moh	Alberta Transportation	International Roughness PSC	2002

### B

Bahar, Geni	NAVIGATS Inc.	Road Safety Standing Committee	2013
Baril, Anne	Ministère des Transports du Québec	Managing Utilities in the Right-of-way PSC	2008
Baril, Anne	Ministère des Transports du Québec	Winter Road Condition Terminology PSC	2010
Batchelor, Rhonda	Government of Northwest Territories	Environmental Issues Management SC	2013
Batchelor, Rhonda	Government of Northwest Territories	Synthesis of Canadian Environmental Best Practices for Highway Construction, Operation and Maintenance PSC	2012
Baumbartner, Tom	Watt Consulting Group	Canadian Guide to Traffic Calming (Second Edition) PSC	2017
Beal, Andrew	Ministry of Transportation of Ontario	Review of Sign Sheeting PSC	2011
Beaulieu, Daniel	Ville de Montréal	Pedestrian Signal Warrant & Warrant Speed PSC	2013
Beaulieu, Daniel	Ville de Montréal	Application Guidelines for Speed Display Devices PSC	2017
Becking, Kenneth D.	City of Kawartha Lakes	Small Municipalities Task Force	2008
Belcourt, Barry	City of Edmonton	Road Salt Management Working Group Synthesis of Best Practices PSC	2003
Belluz, Leanna	Transport Canada	Traffic Operations & Management SC	2013
Belluz, Leanna	Transport Canada	Roundabouts Synthesis of Practices PSC	2006
Belluz, Leanna	Transport Canada	Signs and Markings for Multilane Roundabouts PSC	2010
Bergeron, Daniel	Agence métropolitaine de transport	Transportation Finance SC	2016
Biglow, Bruce W.	UMA Engineering Ltd.	Geometric Design SC	2005
Boddy, Keith	Nova Scotia Transportation & Infrastructure Renewal	Geometric Design for Special Roads PSC	2012
Boddy, Keith	Nova Scotia Transportation & Infrastructure Renewal	Geometric Design SC	2015

Boddy, Keith	Nova Scotia Transportation & Infrastructure Renewal	Canadian Roundabouts Design Guide PSC	2015
Blaney, Fred	New Brunswick Department of Transportation	P3 for Road Construction PSC	2011
Brennan, Don	Newfoundland Works, Services and Transportation	Pavements SC	2002
Brinkman, Chris	City of Ottawa	Accessible Pedestrian Signal PSC	2007
Burdz, Walter	Manitoba Infrastructure & Transportation	Road Safety SC	2015

## C

Capano, Nazzareno	City of Toronto	Canadian Guide for Greener Roads PSC	2012
Capano, Nazzareno	City of Toronto	Risk Analysis and Responding to Climate Change PSC	2017
Caron, Maya	Stantec Consulting Ltd.	Environmental Advisory & Legislation SC	2015
Carter, Darren	Alberta Transportation	Environmental Management Systems User Guide for Transportation Practitioners PSC	2008
Caruso, Anthony	Metrolix	Investigating the Potential for Trucks Lanes in Urban Areas	2013
Cebryk, Gordon	City of Edmonton	Roadway Lighting Efficiency & Power Reduction Guide PSC	2013
Chow, Richard	Alberta Transportation	MUTCDC Update Scoping Study PSC	2014
Chow, Richard	Alberta Transportation	Pedestrian Signal Warrant & Walking Speed PSC	2013
Chow, Richard	Alberta Transportation	Pedestrian Crossing Control Manual Update PSC	2011
Chow, Richard	Alberta Transportation	Guidelines for the Application and Implementation of the School Bus Stop Ahead Sign PSC	2009
Chow, Richard	Alberta Transportation	Canadian Guide for Establishing Posted Speed Limits PSC	2009
Chow, Richard	Alberta Transportation	Application and Implementation of Static Warning Devices in Advance of School Bus Stops	2008
Chow, Richard	Alberta Transportation	Traffic Operations and Management SC	2008
Chow, Richard	Alberta Transportation	Roadside Sign Placement Criteria PSC	2007
Chow, Richard	Alberta Transportation	Information Sign Symbols PSC	2006
Chow, Richard	Alberta Transportation	School and Playground Areas and Zones PSC	2006
Chow, Richard	Alberta Transportation	Transverse Rumble Strips PSC	2005
Chow, Richard	Alberta Transportation	Roadway Lighting Guide PSC	2005
Chow, Richard	Alberta Transportation	Highway Guide Signage PSC	2003
Chow, Richard	Alberta Transportation	Illumination of Rural Intersections PSC	2002
Chow, Richard	Alberta Transportation	Blinking LED Borders for Signs PSC	2010

Chow, Richard	Alberta Transportation	Guidelines for Posted On and Off Ramp Speed Limited Signing PSC	2010
Christiansen, Eric	Manitoba Infrastructure	Geometric Design Guide New Edition PSC	2016
Christiansen, Eric	Manitoba Infrastructure and Transportation	Geometric Design Guide Update Scoping Study PSC	2011
Christiansen, Eric	Manitoba Infrastructure and Transportation	Median Treatments for Rural and Urban Roadways PSC	2009
Clayton, Carl	Stantec Consulting	Geometric Design Guide SC	2003
Cook, Don	City of Saskatoon	Geometric Design Revisions and Additions Subcommittee	2012
Cooke, Gregg	Stantec Consulting Ltd.	Effective Strategies for Influencing Travel Behaviour PSC	2011
Cooper, Dean	Watt Consulting Group	Geometric Design SC	2017
Cooper, Dean	Watt Consulting Group	Sustainable Transportation SC	2016
Covelli, Claudio	Dillon Consulting Limited	Joint Active Transportation Subcommittee	2017
Cross, Geoff	Translink	Transportation Planning and Research SC	2008
Cuthbertson, Glenn	Manitoba Infrastructure	Transportation Funding and Governance PSC	2014
		National Guidelines for Work Zone Safety in Canada Project	2016

## D

Davidson, Gavin	TransLink	Update of Bikeway Traffic Control Guidelines for Canada PSC	2009
Davidson, Gavin	TransLink	Bicycle Traffic Control Devices: Signs and Coloured Pavements PSC	2008
Davidson, Gavin	TransLink	Bicycle Traffic Pavement Markings PSC	2007
deGrasse, Deborah	Transport Canada	Guidelines for Collision Prone Locations Screening PSC	2010
Delaney, Martin	Nova Scotia Transportation	Natural Gas Pipeline Placement in	2002
De Leur, Paul	Insurance Corporation of British Columbia	In-service Operational Guidelines PSC	2003
Delsey, Michael	Totten Sims Hubicki Associates	Geometric Design SC	2002
Donovan, Hugh	City of Edmonton	Soils and Materials SC	2013
Doré, Guy	Université Laval	Soils and Materials SC	2016
Duncan, David	Manitoba Infrastructure	Transportation Planning and Research SC	2016
Durant, David	Regional Municipality of Waterloo	Best Practices for the Technical Delivery of Transportation Planning Studies PSC	2008

## E

Eden, Ruth	Manitoba Infrastructure	Structures SC	2016
Edens, Phil	City of Ottawa	Canadian Model Rules of the Road Update PSC	2017

Egan, Daniel	City of Toronto	Safe Accommodation of Vulnerable Road Users and Large Commercial Vehicles PSC	2009
Erwin, Stephen	Ministry of Transportation of Ontario	Traveller Information Services Task Force	2014
Evans, Darrell	PEI Transportation and Infrastructure Renewal	Structures SC	2014
Evans, Darrell	PEI Transportation, Infrastructure and Energy	Guidelines for Mechanically Stabilized Earth Walls PSC	2016

## F

Fleury, Danielle	Ministère des Transports du Québec	Soils and Materials SC	2014
Fleury, Nicole	Manitoba Infrastructure & Transportation	Synthesis of Asset Management Best Practices PSC	2015
Fleury, Nicole	Manitoba Infrastructure & Transportation	Asset Management Task Force	2015
Floyd, Doug	Delcan Corporation	Transportation Finance SC	2012
Forbes, Gerry	Intus Road Safety Engineering Inc.	Road Safety SC	2007
Forster, Katherine	Transport Canada	Synthesis of Practices and Recommendations for Developing and Implementing Active Transportation Strategies PSC	2009
Fung, Rico	Cement Association of Canada	Canadian Guide for Greener Roads PSC	2012

## G

Gerbrandt, Ron	Saskatchewan Highways and Infrastructure	Environmental Advisory and Legislation SC	2012
Gill, Ted	MMM Group Limited	Sustainable Transportation SC	2010
		Sustainable Transportation SC	2012
Glowinski, Devin	Ministry of Transportation, Ontario	Design and Implementation of Public Transit Services – Guidelines for Communities PSC	2015
Goodman, Steve	AME Materials Engineering	Pavements SC	2009
Gunter, Clark	MMM Group Limited	Environmental Advisory & Legislation SC	2013

## H

Haas, Ralph	University of Waterloo	Scholarship Awards Committee	2005
Hadayeghi, Alizera	CIMA Canada	Road Safety SC	2017
Haines, George	New Brunswick Department of Transportation	Maintenance and Construction SC	2002
Hainsworth, Cathy	Transport Canada	Synthesis of Canadian Environmental Best Practices for Highway Construction, Operation and Maintenance PSC	2012
Halayko, Larry	Manitoba Infrastructure & Transportation	Construction and Operations of Winter Roads PSC	2011
Hammer, John	WSP Parsons Brinckerhoff	Geometric Design Guide New Edition PSC	2016

Hanna, Scott	Hatch Acres Inc.	Environmental Issues Management SC	2006
	Hatch Ltd.	Environmental Issues Management SC	2010
Hanna, Scott	Hatch Ltd.	Environmental Advisory and Legislation SC / Environmental Issues Management SC	2012
Hein, David K.	ERES Consultants	Pavement SC	2003
Hird, Rob	Nova Scotia Transportation and Infrastructure Renewal	Traffic Operations and Management SC Canadian Guide to Traffic Calming (Second Edition) PSC	2016 2017
Hodgins, Bob	Ecoplans Limited	Environmental Issues Management SC	2005
Hollingworth, Brian	IBI Group	Sustainable Transportation SC	2009
Hotte, Martin	Ministère des Transports du Québec	Moving Smarter – Exploring Solutions for Canadian Cities PSC	2015
Hoyt, James	New Brunswick Transportation & Infrastructure	Use of Recycled Materials in Infrastructure Projects PSC	2012
Humphries, Alan	Alberta Transportation	Guide to Bridge Hydraulics PSC	2002
Hutton, Phil	Ministry of Transportation, Ontario	Maintenance and Construction SC	2016
Hurtubise, Paula	Statistics Canada	Census Place of Work/Modal Choice Variables PSC	2002

## I

Irish, Dawn	Ministry of Transportation, Ontario	Beneficial Management Practices for Compliance with the Migratory Birds Convention Act and Regulations	2016
Iwaskow, Greg	City of Calgary	Rectangular Rapid Flashing Beacons Warrant PSC	2017

## J

Johnson, Marlo	Ministry of Transportation, Ontario	Beneficial Management Practices for Compliance with the Migratory Birds Convention Act and Regulations	2016
Johnson, Mavis	Canadian Traffic Safety Institute	Road Safety SC	2005
Jones, Audra	City of Edmonton	Sustainable Transportation SC	2013
Juhasz, Marta	Alberta Transportation	Pavement Asset Design and Management PSC	2011

## K

Kalashnikoff, Paul	AMEC	Environmental Issues Management SC	2014
Kass, Said	Manitoba Infrastructure & Transportation	Pavements SC	2013
Kanji, Shiraz	City of Edmonton	Sustainable Consideration for Bridges PSC	2014
Kanji, Shiraz	City of Edmonton	Guide to Bridge Traffic and Combination Barriers PSC	2009

Kanji, Shiraz	City of Edmonton	Structures SC	2004
Keefe, James T.	IMSA-International Municipal Signal Association	Traffic Signal Conspicuity PSC	2008
Keenan, Dave	City of Calgary	Guidelines for the Planning, Design, Operation and Evaluation of Reversible Lane Systems PSC	2009
Keenan, Dave	City of Calgary	Traffic Signal Warrant Handbook PSC	2006
Keenan, Dave	City of Calgary	Traffic Signal Warrant PSC	2003
Koziol, Bob	MMM Group Limited	Geometric Design SC	2009
Kroman, Jadwiga	City of Calgary	Sustainable Consideration for Bridges PSC	2014
Kroman, Jadwiga	City of Calgary	Guide to Bridge Traffic and Combination Barriers PSC	2009
Kurys, Phil	Transport Canada	Sustainable Transportation SC	2004

## L

LaPointe, Elaine	New Brunswick Department of Transportation	Knowledge Management Primer PSC	2010
LaPointe, Elaine	New Brunswick Department of Transportation	Knowledge Management Committee	2010
Lali, Moh	Alberta Transportation	Maintenance and Construction SC	2011
Lali, Moh	Alberta Transportation	Maintenance and Construction SC	2009
Laser, Oliver	Amec Foster Wheeler Environment & Infrastructure	Environmental Advisory and Legislation SC	2017
Leclerc, Anne-Marie	Ministère des Transports du Québec	Transportation Infrastructure Construction in Permafrost Regions PSC	2009
Lee, Jeannie	Ministry of Transportation, Ontario	Design and Implementation of Public Transit Services – Guidelines for Communities PSC	2015
Leyton, Ana Maria	Transport Canada	Sustainable Transportation SC	2014

## M

Macfarlane, Dave	New Brunswick Department of Transportation	Road Sensor Terminology PSC	2006
Macinnis, Roxanne	Halifax Regional Municipality	Synthesis of Practices and Recommendations for Developing and Implementing Active Transportation Strategies PSC	2009
MacLeod, Donaldson	Public Works and Government Services Canada	Structural Concrete Deck Protection Systems PSC	2009
MacQuarrie, Carol	New Brunswick Department of Transportation	Soils and Materials SC	2008
Madsen, Stella	Saskatchewan Highways and Transportation	Canadian Long-Term Pavement Performance Program SC	2002
Masters, Phil	Ministry of Transportation of Ontario	Framework for Application of ITS for Traffic Management PSC	2007

McAusland, Linda	Ministry of Transportation of Ontario	Environmental Advisory and Legislation SC	2011
McClintock, Heather	Ministry of Transportation of Ontario	Summer and Winter Maintenance Subcommittee	2014
McCormick, Larry	City of Edmonton	Traffic Operations and Management SC	2004
McCusker, David	Halifax Regional Municipality	Transit Signal Display PSC	2009
McCusker, David	Halifax Regional Municipality	Driver Comprehension Testing Program PSC	2010
McDaniel, Zorana	City of Calgary	UTI 5 <sup>th</sup> Survey PSC	2015
McGregor, Robyn V.	EBA Engineering Consultants	Maintenance and Construction SC	2003
McLeod, Troy	Calgary Parking Authority	Traffic Operations and Management SC	2014
Merali, Aziz	Focus Corporation	Geometric Design SC	2013
Miska, Ed	British Columbia Transportation & Infrastructure	Editing and Publication Subcommittee	2017
Morrall, John F.	University of Calgary	Centreline Rumble Strips PSC	2005
		Rumble Strips PSC	2002

## N

Neirinck, Brad	City of Winnipeg	Structures SC	2006
Nelson, Cam	Morrison Hershfield Limited	Road Safety SC	2011
Nichol, Susan	Ministry of Transportation of Ontario	Applied Human Factors in Road Safety Engineering, PSC	2012
Nichol, Susan	Ministry of Transportation of Ontario	Climate Change and Road Safety PSC	

## O

O'Keefe, Sarah	Transport Canada	Environmental Issues Management SC	2016
O'Keefe, Sarah	Transport Canada	Synthesis of Canadian Environmental Best Practices for Highway Construction, Operation and Maintenance PSC	2012
Olsen, Harvey	Stantec Consulting Ltd.	Maintenance and Construction SC	2014

## P

Pacholka, Bill	Saskatchewan Highways & Infrastructure	Environmental Issues Management SC	2012
Pharand-Fraser, Nicole	British Columbia Ministry of Transportation and Infrastructure	Winter Maintenance Performance Using Friction Testing PSC	2008
Philp, Chris	Intelligent Transportation Systems Society of Canada	Updating the National ITS Architecture for Canada: Phase 1 PSC	2017
Popik, Mark	Applied Research Associates Inc.	Soils and Materials SC	2010
Pulles, Bert C.M.	EBA Engineering Consultants Ltd.	Pavements SC	2005
Purcka, Larry	Department of Transportation of Northwest Territories	Geometric Design SC	2011

## R

Raney, Bill	Ontario Ministry of Transportation	Finance and Investment SC	2006
Robertson, Cathy	City of Burlington	Traffic Operations and Management SC	2010
Robinson, John	Delphi MRC	Pavements SC	2004
Rodriguez, Orlando	Alberta Transportation	Traffic Monitoring Practices Guide PSC	2016
Rodriguez, Orlando	Alberta Transportation	Guidelines for Defining and Measuring Urban Congestion PSC	2017

## S

Salsberg, Lisa	Metrolinx	Changing Practices in Data Collection on the Movement of People PSC	2013
Sanderson R.A.	Transport Canada	Road Safety SC	2003
Seaby, Michael A.	Public Works & Government	Environmental Advisory & Legislation SC	2005
Shalaby, Ahmed	University of Manitoba	Pavements SC	2011
Siopsis, Susan	Region of Durham	Geometric Design SC	2007
Skene, Mike	Boulevard Transportation Group	Advanced Warning Flashers SC	2004
Smith, James	Ontario Good Roads Association	Asset Management Task Force	2017
Smith, Russ	Transport Canada	Environmental Advisory and Legislation SC	2008
Smith, Tim	Cement Association of Canada	Soils and Materials SC	2004
Snider, Don	Alberta Transportation	Environmental Advisory and Legislation SC	2010
Snider, Don	Alberta Transportation	Salt Management Guide Update PSC	2012
Solomon, Hart	City of Hamilton	Accessible Pedestrian Signs PSC	2007
Spurr, Timothy	Agence métropolitaine de transports	Transportation Funding and Governance PSC	2014
Spurr, Timothy	Agence métropolitaine de transports	Changing Practices in Data Collection on the Movement of People PSC	2013
Stapleton, Bruce	Transport Canada	Performance Measures for Road Networks	2011
Steckham, Paul V.	Ontario Ministry of Transportation	Aviation SC	2006
Stephens, Don	McCormick Rankin Corporation	Urban Transportation Indicators PSC	2004
	MMM Group Limited	Transportation Planning and Research SC	2012
Stephenson, Brice	City of Edmonton	Framework for Collection of High-quality Data on Urban Goods Movement in Canada – Phase 2 PSC	2009
Stephenson, Brice	City of Edmonton	Urban Goods Movement PSC	2007
Stewart, J. Allen	Royal Military College	Transportation Planning and Research SC	2006
Sullivan, Sherry	Cement Association of Canada	Pavements Standing Committee	2015

## T

Tighe, Susan	University of Waterloo	TAC Foundation Scholarship Committee	2009
Tighe, Susan	University of Waterloo	Soils and Materials SC	2006

Tremblay, Guy	Ministère des Transports du Québec	Mechanistic / Empirical Pavement Design Guide Calibration PSC	2013
Tremblay, Guy	Ministère des Transports du Québec	Pavements SC	2007
Tremblay, Normand	Ministère des Transports du Québec	Guide for the Accommodation of Utilities in Freeway Rights-of-Way PSC	2012
Tremblay, Pierre	Ministère des Transports du Québec	Urban Transportation Indicators Fourth Survey PSC	2009
Tremblay, Pierre	Ministère des Transports du Québec	Transportation Planning & Research SC	2010
Trépanier, Simon	Ministère des Transports du Québec	Guidance on the Use and Installation of Chevron Alignment Signs PSC	2009
Tufts, Gordon	Manitoba Transportation and Government Services	Aviation SC	2002

## V

van Ginkel, Robert	Wardrop Engineering Inc.	Structures SC	2010
Vigfusson, Lance R.	Manitoba Transportation and Government Services	Maintenance and Construction SC	2005
Villarreal, Rafael	City of Kelowna	Design and Implementation of Public Transit Services - Guidelines for Communities PSC	2015

## W

Walbaum, Craig	City of Edmonton	Digital and Projected Advertising Displays PSC	2014
Walker, Lyle	Translink	Moving Smarter PSC	2015
Wang, Hansel	Translink	Traffic Lane Conspicuity PSC	2009
Weatherburn, Ron	Manitoba Infrastructure & Transportation	Maintenance & Construction SC	2013
Welsh, Gary	City of Toronto	Road Features Inventory PSC	2004
Widger, Allan	Saskatchewan Highways and Transportation	Erosion & Sediment Control PSC	2004
Wilson, David	National Capital Engineering Ltd.	Finance and Investment SC	2002
Wilson, Peter	City of Calgary	Bridge Management Guide PSC	2004
Woo, Leslie	Metrolinx	Transportation Finance SC	2014
Wood, Brian	Stantec Consulting Ltd.	Structures SC	2013

## Y

Yea, Howard	Saskatchewan Ministry of Highways & Infrastructure	Structures SC	2008
-------------	--	---------------	------

## Z

Zein, Sany	TransLink	Road Safety SC	2009
Zarzosa, Rick	City of Ottawa	Transit Priority Measures Guidelines PSC	2012
