CONSTRUCTION (CO)	PAVEMENTS (PV)	TECHNOLOGY (TE)	LS=Lightning Session PD=Panel Discussion PS=Presentation Session WS=Workshop * Ends at 17:00

WEEK 1 Monday, September 20 to Friday, September 24									
	MON, Sept. 20		TUES, Sept. 21		EXHIBITION DAY WED, Sept. 22	THURS, Sept. 23		FRI, Sept. 24	
11:00-12:30 ET		PV.1A Innovations in Pavement Management, Engineering and Technologies (PS) <i>Sponsored by Surface Tech</i>		CV.1 CAV Applications for Maintenance and Freight (PS) <i>Sponsored by Associated Engineering</i>	DEMO PRESENTATIONS		TE.1 Big Data in Transportation (PS) <i>Sponsored by Telus Business</i>		MM.1 Applications of Data in Mobility Management (PS)
		TE.4A ITS—Solving Problems with Technology (PS) <i>Sponsored by IBI Group</i>		GD.1A All Highways Big and Small: Interchanges, Major Facilities and Two-Lane Highways (PS) <i>Sponsored by ISL Engineering and Land Services</i>			CC.3 Meeting Climate Change Challenges post COVID-19 (PS)		WD.2 Organizational Approaches to Working Remotely (PD)
		ST.1A Transportation Structures: Bridge General (PS) <i>Sponsored by Wood</i>		EN.2 Erosion and Sediment Control for Transportation Construction Projects (PS) <i>Sponsored by Parsons</i>			AM.2 Impacts of Technology on Asset Condition (PD)		RS.10A Vision Zero and Safe System in the Canadian Context (PS) <i>Sponsored by CIMA+</i>
12:30-13:00 ET	Networking Participants, Sponsors & Exhibitors		Networking Participants, Sponsors & Exhibitors			Networking Participants, Sponsors & Exhibitors		Networking Participants, Sponsors & Exhibitors	
13:00-14:30 ET		WD.1 Diversity and Inclusion in the Workplace (PD)		TE.3 Future Transportation and Mobility Systems—Cyber Resilience (PD) <i>Sponsored by SNC Lavalin</i>	VIRTUAL TRADE SHOW - BOOTH STAFF LIVE!		PV.1B Innovations in Pavement Management, Engineering and Technologies (PS)		AT.2A Cycling Solutions: Overcoming Challenges and Barriers through Design (PS)
		CC.1 Acting on Climate Change: Lightning Session (LS)		AM.3A Innovations and Advancements in Asset Management (PS) <i>Sponsored by Wood</i>			RS.9 Speed Limits and Speed Management (PD)		AM.3B Innovations and Advancements in Asset Management (PS) <i>Sponsored by Bentley Systems</i>
		RS.1 Emerging Trends in Road Safety (PS)		TP.2 Goods Movement (PS) <i>Sponsored by ISL Engineering and Land Services</i>			TO.1A #InnovativeTrafficControl (PS)		MO.2 Innovations in Winter Maintenance (PS)
14:30-15:00 ET	Networking Participants, Sponsors & Exhibitors		Networking Participants, Sponsors & Exhibitors			Networking Participants, Sponsors & Exhibitors		Networking Participants, Sponsors & Exhibitors	
15:00-16:30 or 17:00 ET	OPENING PLENARY What's Normal Now: The New Look of Transportation			RS.6 Lowering Vehicle Speeds to Improve Road Safety (PS)*	DEMO PRESENTATIONS		TP.3 Health and Transportation (PS)*		RS.11 Vision Zero and Safe System Implementation in Canada (PD)* <i>Sponsored by 3M</i>
				TP.1A Applications of Data in Transportation Planning (PS)* <i>Sponsored by HDR</i>			RS.2 Equity in Road Safety (PD) <i>Sponsored by IBI Group</i>		SO.1B Innovation in Roadway/Embankment Materials and Geotechnical Engineering (PS)
				AT.1 Active Transportation during COVID-19: Was It Just a Blip? (PS)*			GD.1B All Highways Big and Small: Interchanges, Major Facilities, and Two-Lane Highways (PS) <i>Sponsored by McElhanney Ltd.</i>		EN.1 Animal-Vehicle Collision Mitigation: Innovation and Strategies (PD) <i>Sponsored by AIL Group of Companies</i>
16:30-18:30 ET	SOCIAL NETWORKING EVENT								

2021 TAC Conference Technical Program (online edition)
Subject to change | Last updated September 21, 2021

WEEK 2 | Monday, September 27 to Friday, October 1

	MON, Sept. 27	TUES, Sept. 28	WED, Sept. 29	THURS, Sept. 30	FRI, Oct. 1
11:00-12:30 ET	TE.2A Connecting the Digital World to the Real World: Building Information Management (PD)	MM.2 Competing for Curbside Space: Curbside Management (PS)	AT.2B Cycling Solutions: Overcoming Challenges and Barriers through Design (PS) <i>Sponsored by AECOM Canada Ltd.</i>	EN.4 Indigenous Involvement in Transportation Projects (PD) <i>Sponsored by EXP</i>	TO.2 Traffic Management for Public Life Recovery during COVID-19 (PS)
	TF.2 Mobility Pricing in Post Covid-19 Pandemic Cities (PD)	RS.4 Lessons in Road Safety from the COVID-19 Pandemic Response (PD)	GD.3 Supporting Vision Zero through Geometric Design and What's New in Roundabouts (PS) <i>Sponsored by Stantec Consulting Ltd.</i>	RS.3 Incorporating Road Safety in Transportation Impact Analyses/Studies (WS)	CV.2B Connected Vehicle Technologies (PS)
	ST.1B Transportation Structures: Pedestrians on Bridges (PS) <i>Sponsored by Parsons</i>	CV.2A Connected Vehicle Technologies (PS) <i>Sponsored by 3M</i>	WD.3 Pains and Gains—Transitioning Professional Development to the On-Line Universe (PD)	MO.1 Innovations in Summer Maintenance (PS)	MM.3 Emerging Issues in Urban Transportation: Examining the Public Interest in Shared Mobility (PS)
12:30-13:30 ET	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors
13:00-14:30 ET	SPOTLIGHT PLENARY Action and Collaboration: Recovering (and Preparing) Together	TP.4B Transportation Systems Modelling (PS) <i>Sponsored by MCElhanney Ltd.</i>	TE.4B ITS—Solving Problems with Technology (PS) <i>Sponsored by AECOM Canada Ltd.</i>	WD.4 Teaching Geometric Design in Post-Secondary Institutions (PD)	PV2A. Material Input Considerations for ME Design (PD)
		AM.1 Asset Management and Climate Change (PS) <i>Sponsored by Tetra Tech Canada Ltd.</i>	TF.1 Follow the Money! Tools, Trends and Case Studies for Transportation Finance and Governance (PD) <i>Sponsored by EXP</i>	RS.8 Safety-Forward Policies and Key Performance Indicators for Transportation Service Delivery (WS)	TE.2B Connecting the Digital World to the Real World: Digital Twinning—Objects, Processes, Systems (PD)
		SM.2 Vision Zero in Small Municipalities (PD)	TO.1B #InnovativeTrafficControl (PS)	AT.3 Equity Considerations in Planning for Active Transportation (PD) <i>Sponsored by EXP</i>	AM.4 New Data Sources in Asset Management and Future Mobility (PS)
		EN.3 Going Remote: Emerging Practices on the Shift to Virtual Tools (PD)			CO.1B Innovations in Utility Risk Management (PS)
14:30-15:00 ET	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors	Networking Participants, Sponsors & Exhibitors
15:00-16:30 or 17:00 ET	RS.7 Road Safety Impacts of ITS and CAV's (PS)* <i>Sponsored by Stantec Consulting Ltd.</i>	GD.2 Designing for Climate Change, Micromobility, Complete Streets and Accessibility (PS)	RS.10B Vision Zero and Safe System in the Canadian Context (PS)	MM.4 Last-Mile Goods Movement in Canadian Communities: Trends and Best Practices (PD)*	PV2B. Material Input Considerations for ME Design (PD)
	SO.3 Testing and Modeling of Roadway/Embankment Materials and Geotechnical Engineering (PS)* <i>Sponsored by Wood</i>	TE.5 Understanding and Using the ITS Architecture for Canada (WS)*	CO.1A Innovations in Utility Risk Management (PS)	ST.1C Transportation Structures: Bridge Rehabilitation (PS)* <i>Sponsored by Stantec Consulting Ltd.</i>	TP.4C Transportation Systems Modelling (PS) <i>Sponsored by Deighton Associated Ltd.</i>
	TP.1B Applications of Data in Transportation Planning (PS)* <i>Sponsored by HDR</i>	SO.2 Practical Applications for Asphalt Mix Performance Testing (PD)*	PV.1C Innovations in Pavement Management, Engineering and Technologies (PS)*	CC.2 Climate Action Coast to Coast to Coast (PS)	RS.5 Leveraging New Data Sources and Approaches for Road Safety (PS)* <i>Sponsored by International Road Dynamics Inc.</i>
